TEACHING AIDS For The Director

This medley contains the two most important themes that are used in various forms throughout the movie. The "main" theme begins at measure 9 played by the clarinets and horns. The "secondary" theme appears at measure 44 in the trumpets.

The introduction uses dissonant sounds and effects with dynamics. Make sure that the opening chords are balanced carefully. No individual chord tone should stand out above the others. The 2-measure crescendos should be played very evenly.

The main theme at measure 9 should be played in a connected and flowing style. Start soft and let each phrase gradually build, leading to the *f* at measure 26. The ritard in measure 41 leads to the new tempo at measure 42. Since the key signature of A^b concert may present some problems, practice this section slowly at first, in 4/4 rather than cut time. As the players become more familiar with the notes and rhythms, gradually increase the tempo.

The ritard in measures 84-85 leads to the return of the "main" theme at measure 86. Notice also the return to the key of B^b concert. In this final section, as with the rest of the arrangement, follow the dynamic and articulation markings carefully.
