Rehearsal and Performance Notes

The suggested tempo for this arrangement is $\text{♩} = 108$ and it should be played in a moderate, swing-jazz style. To achieve a good swing-jazz style, play the accented or important tones in a phrase at the prevailing dynamic and all the other tones in between at a lighter dynamic. Also, using diaphragmatic articulation on the accented tones will enhance the performance style. The bass line, in the tubas and low woodwinds, should be played with an imagery of a *pizzicato* string bass in mind using an accent and taper (*dim.*) style articulation simulating a natural decay of a plucked string. All long tones throughout the arrangement should taper (*dim.*) so that the instrumental fills and active counterpoint during the long tones may be noticed.

The introduction features paraphrased elements of the melody. Be sure to begin m. 3 at *p* dynamic so that the crescendo is of full effect leading to the *f* in m. 4. The first strain of the melody, begins at m. 5, and features the horns and trombones. The repeat of the first strain, beginning at m. 17, has a change of style in the accompaniment to an on-the-beat jazz "feel". The second *staccato* eighth note in the two-eighth note pattern should be played lightly. Again, *diminuendos* have been indicated on all the long notes so that the active counterpoint may be easily heard.

The second strain begins at m. 29 and uses a tango-style accompaniment underneath a continuing swing-style melody. In the measure with four eighth notes be sure that the second beat is light creating a strong, light, secondary-strong, and accented fourth beat sequence. A full swing-style returns at m. 37. The third strain begins at m. 45. Be sure that the upward pyramids in mm. 47 & 48, and 51 & 53 are noticeable through the use of diaphragmatic articulations on the *fp*. and wait for the crescendos until the end of the pyramids in mm. 48 & 51.

The second chorus begins at m. 37 and modulates up a tone to the key of C and features a woodwind voicing for nine measures. Be sure to balance the woodwind section so that the melody is clearly heard in the *tutti* scoring. A two-measure crescendo occurs at the end of the first strain preceded by a *fp* in the clarinets and saxophones. The repeat of the first strain features solos by the drum-set and timpani players. There are suggested written-out solos but the players should be encouraged to improvise. Not knowing the size drums that the timpani player may have, I've indicated the two chords (F7 and C7) so that the player may improvise the solo within the indicated chord structure using the size of drums at hand.

The second strain returns modulating back to the original key of B \flat but using a different scoring than was used in the first chorus. The extended ending begins at m. 108 with a *fp* in the upper woodwinds and brass, and trombone and euphonium fill followed by a two-measure sequence leading to the snare drum solo and ending.

This arrangement is dedicated to the Delaware Valley Wind Symphony located in Newtown, Pennsylvania. Andy Pac is the president and I'm the musical director.

The Carl Fischer Performance Series for Band has five performance levels to provide you with a highly focused repertoire for your band. Each level has been carefully designed and graded, within specific guidelines, so that each piece in a level will work with your band when it achieves that level. Each level is also color coded for ease in finding the series that will be appropriate for your band, as it develops.

Within each grade level, you will find selections in a variety of styles and genres designed to meet all of your performance and teaching needs. The Carl Fischer composers and arrangers are some of the most respected writers in the business. Their music is dynamic, fresh and eminently worthy of your attention.

Symphonic Performance Series

- Standard concert band instrumentation
- Difficulty within reason for high school groups
- Expanded percussion section, increased instrument options
- Mature pieces of high musical value

SPS43 — \$85.00 Set
